Dear Elsie,

Here is check for \$21 to cover your cost of copying BALL book for me. I greatly appreciate your consideration in doing this for me.

Clara Rayburn thinks she will be able to send me more information on Martha Ann Lundy, wife of Henry Augustus Ball. If you have any information there on her not in the BALL book, I surely like to have that too.

Thanks again,

February 1, 1998

Dear Sherry,

Thanks so much for your letter of 12 Jan 1998 and also for the copy of the 1860 US Census of Harrison County, MS re Mrs. Margaret "Sunday" being married to William S. Worden on 17 Nov 1857. I tend to agree with you that this Mrs. Margaret Worden is the same person who was married to James Lundy on the 1850 Harrison County, MS census after Jame's Lundy's death.

I would still like to know if you can help me to decide whether or not the John Dale Lundy and his wife, Agnes, listed on the 1850 Harrison County, MS Census on Aug 19 could be possible parents of my Martha Ann Lundy, enumerated as follows:

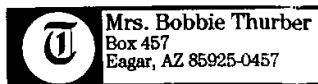

P. 42, line 35, Dwelling 398: John Dale Lundy, age 60, M, farmer, b. GA
Agnes Lundy, age 60, F, b. AL
Frances Lundy, age 18, F, b. MS
Stephen Lundy, age 16, M, b. AL

They caught my eye because they are 60 in this record and it looks like they could have had older children who would be married by this time, one of which might be my Martha Ann Lundy who married before this census was taken on 14 Jan 1845 in Mobile, Mobile, ALA (according to family records). Martha was born 16 Jul 1828 and would be 22 when this census was taken. Of course there could be other children in the family also, since her parents would have been only 22 years of age (assuming this is them). No good genealogist would assume anything, so I'm getting anxious for a breakthrough somewhere that will help. I wish I could get something with her name on it between 1828 and 1844 (before she was married). Perhaps you could tell me how to find this. Are there any Church records, genealogical society records, wills, or land records available through your library which might help me to determine what I need to know?

Yes, I certainly would like you to copy off the 1840 census page you offered to send me with the names of Bartholomew Ball, Samuel Lundy, and Abram Lundy. I think I found an Arthur Lundy (the name was hardly legible, so I'm not sure I read it right) on the 1840 census in Franklin County, MS who had a daughter in the right age bracket to be Martha. There is also an Elizabeth Lundy, age 50, listed in 1850 Hinds Co., MS with three daughters ages 10-14, p. 247. Martha would have been md. then; but this also could be her mother.

I'm enclosing a check to pay for the 9 copies you sent me @.15, \$1.35. Plus \$10.00 extra in hopes you can help me to find the information I need. If you can't accept the extra, just consider it a donation to the library. Thank you very much,

Bobbie June (BALL) Thurber

THE GULF COAST TIMES MOSS POINT, MISSISSIPPI

A HAPPY BRIDAL DUET Shown above are Mr. and Mrs. Stephen C. Stringfellow, cutting their wedding cake following their exchange of matrimonial vows at the Jantzer Memorial Methodist Church in Moss Point, Feb. 27. The bride is the former Barbara Ann Lundy, daughter of Mrs. Letha Lundy of Moss Point and the groom is the son of Mr. and Mrs. C. L. Stringfellow of Moss Point. (Parsley Photo.)

Barbara Ann Lundy Bride of Stephen Stringfellow

The Moss Point Methodist Church was the scene of the impressive wedding ceremony Saturday, Feb. 27, in which Miss Barbara Ann Lundy, daughter of Mrs. Letha Lundy and the late Gordon Lundy of Moss Point, became the bride of Lt. Stephen C. Stringfellow, Air Force, of Keesler Air Force Base, son of Mr. and Mrs. C. L. Stringfellow of Moss Point.

The double-ring ceremony was solemnized at five o'clock in the afternoon by Dr. Marion L. Smith, the pastor.

In the beautifully decorated church, vows of the young couple were pledged before an altar formed of baskets of white snapdragons set in arrangements of palms and Boston ferns. Soft illumination was thrown on the floral bower by white-tipped tapers set in cathedral candelabra. Large white bows of satin marked the pews reserved for the family.

Preceding the entrance of the bridal party, the organist presented a program of nuptial music and continued through the ceremony with soft background music. She accompanied Miss Greta Pierce, the soloist, who sang, Because, and The Wedding Prayer; and as the young couple knelt for the Benediction, sang The Lord's Prayer.

The bride entered on the arm of John Lott, a family friend, who gave her in marriage.

She wore an original creation of imported Chantilly lace and nylon tulle. The floor-length bouffant skirt was formed by billows of lace and pleated tulle making tiers of ruffles over the satin underskirt. The skirt extended into a full cathedral train. The fitted bodice of lace was embroidered with pearls and a round neckline of net was inserted with medallions of lace. It buttoned down the back with a line of lace-covered buttons. The long sleeves of lace ended in calla points over the hands.

Her finger-tips veil of white illusion fell from a Juliette cap of white satin seeded with pearls. The only jewelry worn by the bride was a pair

of earrings of suspended teardrop pearl.

The bride's bouquet was an arrangement of lilies of the valley and french carnations set in tulle and centered with a white orchid.

The bride's sister, Miss Daniel Marie Lundy, served as Maid of Honor. Bridesmaids were Misses Frances Lundy, Johnnie Mae Amorette, Elaine Rhodes and Esther Moore.

The little flower girls, Sandra Taylor and Peggy George of Pascagoula preceded the bride to the altar. They carried baskets of blue and yellow painted daisies. Little Kathy Davis, daughter of Mr. and Mrs. Carl Leonard Davis of Pascagoula, dressed similarly with the little flower girls and wearing a corsage of pink carnations, was the bride's trainbearer.

Carrying the rings on a white satin pillow was Boyce George, young son of Mr. and Mrs. B. B. George of Pascagoula.

Best man was Aaron Versiga. The groomsmen were Lemmie Stringfellow, cousin of the groom, and Jerry McCool, Harold Howell and Eddie Brister.

Following the church ceremony, a reception was held in the Activities Building of the Church. The bride's table was covered with white lace cloth and centered with a white-tipped wedding cake. The bride and groom were seated at the head of the table with the bride's mother and the groom's father. The cake was decorated with white carnations and ribbons of the bride and groom.

After the first slice was cut by the bride and groom, the cake was served by an aunt of the groom, Mrs. Jessie Daughtry. Punch was served from the crystal punch bowls by other aunts of the groom, Mesdames Paul Smith, Harry Kennon and Gloria Brannon.

The bride, after the reception, changed to a blue mixed tweed suit with navy accessories and wearing the orchid from her bouquet, left with her husband for a honeymoon in Florida. Upon their return they will make their home temporarily with the groom's parents on U.S. Highway 90.

Out of town guests for the wedding were: Mr. and Mrs. J. W. McKeever of New Orleans, Mesdames John Sheppard, Walter Pendennis and Thelma Snow of Mobile; Mr. and Mrs. W. Stringfellow, Prichard, Ala.; Mr. and Mrs. Daughtry and daughter of Grand Bay, Ala.; Mrs. Gloria Brannon and daughter and Mr. and Mrs. Paul Smith and sons and Mr. and Mrs. Gregory Stringfellow and Mr. and Mrs. Kennon of Mobile; Mr. and Mrs. Herman Stringfellow and family and Mr. and Mrs. Claude Stringfellow of Tautaville, Ala.

School May Offer Commercial Refresher Course

The vocational training department of the Pascagoula schools plans to offer a series of refresher courses in commercial subjects if enough interest is manifested, E. A. Parker, director, announced this week.

The proposed courses could include typing, shorthand, book-keeping, business English and allied subjects, Mr. Parker said. Those individuals in the community who are employed in office work or where training on the above subjects might assist them are requested to contact the vocational office at the Junior High school, indicating the subject they are interested in and the hours during which they can take the course, and how much training already had in that field.

In order for the courses to be free to the public they must be offered before 6 p. m., as the cost of night courses must be passed on to those enrolling for the work, Mr. Parker said.

The vocational department is anxious to complete the interest check as soon as possible, and all interested persons should telephone 1180.

infected rats spread the disease among human beings.

The program will be carried on a semi-annual basis, Dr. Andrew Hedmeg, director of the health department said, and through co-operation of the communities involved as well as rural areas typhus fever can be eliminated in the county.

Dr. Hedmeg pointed out that in 1945 Jackson county had 17 cases of typhus fever, but through control measures this number was reduced to six in 1946.

In addition to eliminating the danger of disease, the rat eradication will also result in considerable property savings as it is estimated that each rat on a persons premises does approximately \$35 in damage annually, Dr. Hedmeg said.
